Hello Families!

Welcome to Our Mother of Consolation Pre-K4! I hope this mailing finds you well, happy and enjoying the summer. I am really looking forward to meeting all of you and getting our new school year started. Pre-kindergarten is such a fun time of growth, learning and friendship and I am more than honored to spend this year with you and your child. This newsletter is a short introduction to our first week and what you will need to get started:

***Please note the dates/times and plan accordingly.**

***Things to know until our Meet and Greet Morning:**

-OCE and our Administration are finalizing our health and safety for the year. My best guess is we will be masking in Pre-K4 (Old Navy has good ones for our age group).

-Pre-K is already the place where cleaning, sanitizing toys, washing hands, etc... was part of our routine and now is even more so.

-Frequently used toys, manipulatives will be cleaned daily and in between uses.

-Students will be practicing proper hygiene throughout the day, monitored and encouraged by teachers and assistants.

-Drop off is in the front yard beginning at 7:45. Most mornings I will be outside until a little after 8am. If you arrive after we go in, please ring the bell to be admitted.

-Pick up for our class is at 2:40 following the OMC pick up procedure.

-I don't have a final schedule yet, but I know I would love to have volunteers for centers and lunch. So if this is something you are interested in, please be sure to get all your clearances!

Pre-K4 Phase In Week

*Pre-K4 will begin class on **Monday, September 13** with our "Phase In" week. This will be an introduction to me, our assistants, our classroom routines and new friends in a **half day time frame** on your child's regularly scheduled days, where we focus on learning our morning routine. When we move to full days on **Monday, September 20**, we will add in the afternoon routine. We have found that this is the best way to acclimate your child to their school, classroom and schedule. It's a lot to take in for a four year old!

-Monday, September 13: 8:00-12:00 (half day)

*all students (M-F and MWF)

-Tuesday, September 14: 8:00-12:00 (half day)

*all M-F students

-Wednesday, September 15: 8:00-12:00 (half day)

*all students (M-F and MWF)

-Thursday, September 16: 8:00-12:00 (half day)

*all M-F students

-Friday, September 17: 8:00-12:00 (half day)

*all students (M-F and MWF)

***Pre-K4 follows the school calendar** except for conference days. Please note our conference is in November and we **do** have school on scheduled conference days for the **rest** of school.
